

zimzala

Zimzala (*meaning sand between your toes*) and that's literally what you experience when you dine at our chic, award winning, beachside restaurant.

Zimzala is a family owned business which reflects the quality of service and atmosphere pertaining to this beachside gem. It's the perfect combination of casual and fine dining with a relaxed ocean front setting.

Zimzala is a highly sought after private venue due to the restaurants close proximity to international hotel locations. With cool elegant interiors, a relaxed beachy ambience and the sound of waves gently breaking on the shore you would be forgiven for thinking you are on a peaceful tropical island.

Zimzala is the perfect setting for a corporate or private event! A personal Event Coordinator from Zimzala will be available to assist you with your event and will offer experienced advice with other important particulars, such as florists, photographers and choice of menus etc.

No two events are ever the same and we pride ourselves in ensuring that every fine detail is met with 100% individuality. Zimzala comfortably seats 70 people for an intimate formal 3 course reception or a cocktail style function with up to 120 people. (Please note that it is a pre-requisite to completely book out the restaurant exclusively if you have 30 or more guests).

Exclusive use of the restaurant is based upon a minimum spend, therefore you will need to contact our events coordinator to discuss if this is your preference.

Zimzala Cronulla will ensure that your special day runs smoothly. By allowing our experienced and friendly staff to take care of the details, you will be able to relax and truly enjoy an unforgettable event of a lifetime
